SUMMARY

Full stack web development boot camp graduate with bachelor's degree in psychology from the University of North Carolina Wilmington skilled in problem-solving, time management, and teamwork seeking an entry-level development role in the field.

PROJECTS

Oversite
2021
· Goal tracking and visualization with a twist! Complete your goals or we tell your mom.
· Built with HTML, CSS, JavaScript, React.js, Charts.js, Passport.js, Node Cron, and Node Mailer.
·Links: https://oversite-dashboard.herokuapp.com https://github.com/brendonstahl97/Oversite-Dashboard.

The Interview Game
2021
· A web-based game that allows you and a group of friends to have mock interviews in which wacky phrases must be included in your pitch.
· Built using HTML, CSS, Bootstrap, JavaScript, and Socket.js.
· Allows multiple concurrent games with rooms handled by WebSocket connections to the server.
· Game state managed by event calls to and from the server via WebSocket connections.
· Links: https://interview--game.herokuapp.com https://github.com/kyleward92/Interview-Game.

What's For Dinner
2020-2021
· A web app to help users decide on recipes or restaurants based on ingredients and cuisine type.
· Built with HTML, CSS, and JavaScript.
· Used The Spoonacular API and Google Places API to implement site functionality.
· Links: https://brendonstahl97.github.io/Whats-for-Dinner/ https://github.com/brendonstahl97/Whats-for-Dinner.

EXPERIENCE

Warehouse Worker/Trainer
Target Corporation   Oct 2019 - Jan 2021, Newton, NC
· Helped to improve warehouse efficiency by maintaining an average production rating exceeding 100%.
· Trained new team members how to maximize their efficiency while maintaining a high standard of safety in an inherently dangerous environment.
· Promoted to trainer position within 8 months of employment.

Front End Supervisor
Lowes Foods   May 2019 - Oct 2019, Hickory, NC
· Improved efficiency of the store by successfully managing cashiers and baggers and ensuring no time was wasted.
· Reduced loss by ensuring high standards of security and accountability were kept throughout the department.

Produce Clerk
Lowes Foods   February 2019 - May 2019, WIlmington, NC
· Took on the workload of two employees and consistently excelled regardless of attending school full-time.
· Improved customer satisfaction of my department by prioritizing the customer over all else.

Warehouse Worker
Target Corporation   May 2018 - Aug 2018, Newton, NC
· Selected by management to work on special assignments beyond the abilities of typical workers in the position.
· Rehired immediately due to prior work performance and reliability.
· Recognized for teamwork and willingness to help others, while maintaining a production rating exceeding 100%.

Warehouse Worker
Target Corporation   May 2016 - Aug 2017, Newton, NC
· Improved warehouse efficiency by maintaining a production rating exceeding 100%.
· Excelled in job duties while maintaining school-work balance while attending both work and college full time.

Sales Clerk/Stocker
Lowes Foods   Aug 2014 - May 2016, Hickory, NC
· Promoted from Bagger to Sales Clerk within one month of employment and from Sales Clerk to Stocker within one year.
· Selected by management to assist other departments of the store due to reliability and performance.
· Decreased average time per checkout by maintaining highest scans per minute of all cashiers.
